Thirteen new Members of the Tennessee House of Representatives were elected November 4th, 2008 to serve in the 106th General Assembly. I believe each and every one of these new Members will work hard to represent their constituents and the people of the State of Tennessee.

To help introduce these new Members, this picture booklet has been prepared by House staff. To make this guide more useful we've included a phone directory with the legislative office number for the thirteen new Members of the House of Representatives. We all look forward to a very hardworking and productive session.

Sincerely,

A handwritten signature in black ink, reading "Jimmy Naifeh". The signature is stylized with a large, flowing "J" and "N".
